# Assessment Structure : Academic Year 2026-27

## Class-I

The evaluation process for the ACADEMIC YEAR 2026-27 has been thoughtfully designed to ensure a comprehensive and continuous assessment of students' progress.

There will be NO FORMAL EXAMINATIONS. Instead, regular assessments will be conducted throughout the year to track learning and understanding to prepare the consolidated results.

EVALUATIONS AND PROMOTIONS CRITERIA: Students will be evaluated and promoted to the next classes based on their regular performance in academics and extra-curricular activities. **Emphasis will be placed on the following areas:**

- Regularity
  - Timely completions of notebooks and assignments.
  - Consistency in meeting academic deadlines.
- Classroom Engagement
  - Active participant in classroom discussions and activities.
- Self-Expressions and Confidence
  - Ability to express thoughts clearly and confidently in written forms.
- Manners and Etiquette
  - Demonstration of polite behavior and respect towards peers, teachers and staff.
- Attendance and Discipline
  - Regular attendance and adherence to school rules.
- English speaking skills
  - Proficiency in spoken English including fluency, pronunciation and vocabulary.
